PARTNERS PROGRAM
Hello Friends of the IGA Foundation,

I’m definitely not the first one to tell you that 2020 was a challenging year.

At the outset of this pandemic it was hard to predict how it would affect fundraising. In March, the stock market was plummeting and people were rightly focused on their own wellbeing and livelihoods. It would only make sense to extrapolate and forecast much less giving. There was much discussion and planning amongst our staff and board for just that scenario.

Thankfully, that wasn’t what transpired.

Golf became one of the recreations that people felt comfortable doing during the pandemic. People gave to the IGA Foundation much in the same way as they have before so no drastic adjustments were necessary from a funding standpoint. We are very proud of the way golfers continued to support us.

Our scholarship program remains one of the most visible things we do. Between the Herman Sani and Ann Griffel Scholarships, we dolled out $42,000 to deserving students this year. We identified seven new individuals to add to our growing list of scholars. We had to make some adjustments to the annual scholar dinner but we were able to honor the accomplishments of those seven individuals in-person. We were very thankful for that.

However, the annual Benefit Tournament to raise money for the scholarship programs was forced to cancel. We developed a solid plan to hold the event in the midst of a pandemic at Cedar Rapids Country Club. But then, the derecho weather event happened, which forced the closing of CRCC for an extended period. That ultimately led to them being unable to host. While it did hurt the yearly fundraising bottom line, I am happy to report that our scholarship programs are still on very solid ground.

As many of you experienced, our golf courses were much busier places this summer. That also meant a boom for our Youth on Course program, where we subsidize rounds of golf played by kids. We saw numbers jump 71% to 271 total members and rounds go up nearly 60% (just over 700 total). That is really good growth and we only hope to expand upon it in 2021.

We increased our support of turfgrass in 2020. Annually, we provide a grant to the Turfgrass Extension Service (Iowa State University) supported by our office mates at the Iowa Turfgrass Institute. We now provide $4,000 of funding to pay for visits to golf courses around the state from these turf experts. They are able to answer questions and work with the local superintendents to create plans for fighting poor turf quality, and better turf is something that benefits all golfers.

One area where the COVID-19 pandemic did have an impact was our annual Hall of Fame induction ceremony. This year we were honoring Beth Bader, John Benda and Judd Gibb. Originally scheduled for mid-April, we pushed the ceremony back to mid-September, then ultimately postponed until 2021. We feel strongly that providing the opportunity for them to celebrate with friends and family is important. Our plan is to do a “double class” induction where we honor the Class of 2020 and Class of 2021 in a single ceremony. It will mean a bit longer ceremony, but we are confident we can celebrate the accomplishments of the inductees in the fashion they all deserve.

All in all, we were very happy with how 2020 turned out for the IGA Foundation. We were still able to deliver on our mission and provide very close to the same programming as in years past.

Finally, I want to thank all of the donors who continue to support our mission, especially this year. You all stepped up in a big way and helped us continue to promote golf and its life-enhancing values.

- The IGAF has been a sponsor of this program and has donated to local schools in the surrounding area.

THE FIRST TEE OF CENTRAL IOWA

- The First Tee of Central Iowa is a youth development organization that teaches life skills and healthy habits through the game of golf.

WHAT IS YOUTH ON COURSE?

Youth on Course was started in 2006 by the Northern California Golf Association. At its most basic level, it is a program that subsidizes rounds of golf for juniors at participating courses. It has become very popular and, in 2014, the NCGA began expanding the program to other states and regions, spreading essentially from west to east. In 2018 Iowa became the 21st state to offer Youth on Course. It is now offered in 37 states.

The concept is this: A junior boy or girl age 6 to 18 can join Youth on Course for a $15 yearly fee. That gets them access to any participating Youth on Course facility (there are over 1,400 nationally) to play a round of golf for $5 or less. Then the participating course receives an additional subsidy ($) for that round. Participating courses can put restrictions on days and times when the YOC rates are available, making it an opportunity to help grow future golfers plus drive additional business during non-peak hours.

NUMBERS CONTINUE TO INCREASE!

One of the foundational pillars of the IGAF is to preserve and protect the history of the game. One way we have accomplished that is through our partnership with Hall of Fame golf writer Rick Brown. Rick spent an entire year researching and writing a book on the history of golf in Iowa. As you can imagine, this would be a monumental task as the history of golf in Iowa stretches well over a century.

“\'I thought I had a good grasp of the history of the sport in my native state. I was wrong. I've learned so much during the research for this book. I hope you find the stories as interesting as I did. I probably missed an important thing or two along the way, but I can tell you the research and reporting were done with due diligence. If you read this book, you probably have a deep and abiding love for the game of golf.'”

The Iowa Golf Hall of Fame elected three new members in 2020, bringing the total number in the Hall of Fame to 86. Those three include Beth Bader, John Benda and Judd Gibb. One interesting fact about these three is that they were all student athletes at Iowa State University. They have had very impactful careers, not only for themselves but for those they influenced and mentored along the way.

These individuals were to be formally inducted into the Hall of Fame in the spring of 2020 but due to the pandemic it was decided that postponing the event until 2021 would be the best course of action.

It is hopeful that a “double-ceremony” can be held in the spring of 2021 that honors the classes of 2020 and 2021. Any future information regarding the induction ceremony for 2021 will be posted as soon as it is finalized.

If you would like to help fund the expansion of displays and preserve the history of golf in the state you can donate specifically to the Iowa Golf Hall of Fame through the IGA Foundation at iowagolf.org/Foundation.

- Runner-up at the Big Eight Championship and earned All Big Eight honors back to back years
- Recorded 24 career top-10 finishes which is still an ISU record
- Named ISU's Female Athlete of the Year in 1996
- Played on the LPGA Tour from 2000-2012
- $1 million in career earnings and competed in 26 major championships.

The IGA Foundation administers two college scholarship programs that annually benefit graduating seniors from Iowa high schools.

The Herman Sani Scholarship Program is a four-year scholarship awarded to outstanding graduating seniors who have excelled in academics, community service, and have been involved with golf. Each recipient receives $8,000 ($2,000 per year) over a consecutive four-year period. Since 1950, 186 Iowa students have been awarded Sani Scholarships.

The IGAF awards $2,000 Ann Griffel Scholarships to Iowa high school senior girls who intend to further their education at an Iowa institution of higher learning, whether a college, university, or trade school. Since 1963, 248 students have received assistance.

In 2020, the IGAF was to hold a benefit tournament to help raise funds for the scholarships. Unfortunately the event was unable to be held due to unforeseen circumstances. To help ensure these scholarships continue to prosper we ask you please consider donating specifically to this initiative in 2021 as every dollar goes directly to the scholarship fund.
Anna is a graduate of Wahlert Catholic High School in Dubuque, and will be attending the University of Northern Iowa in the fall. She will be a member of the Panthers Women’s Golf Team.

Ellie is a graduate of Xavier High School in Cedar Rapids, and will be attending Iowa State University in the fall to study business. She will compete for the Cyclones Women’s Golf Team.

Taylor is a graduate of Wilton High School and will be attending St. Ambrose University in Davenport in the fall to study biochemistry on a Pre-Dental/Medicine Track. She will play on the Fighting Bees Women’s Golf Team.
The IGA and the IGAF provide funding support annually for the Iowa State University Turf Extension Service. This service provides important information and scientific troubleshooting for golf course superintendents and their facilities throughout Iowa.

In 2020, the Iowa Golf Association Foundation donated $4,000 to be used to help assist Iowa State University Extension Turfgrass Specialist Dr. Adam Thoms’ travel. Although Dr. Thoms doesn’t exclusively support IGA Member Clubs he has been an invaluable asset. Since 2018 Dr. Thoms has made over 78 in-person visits to IGA Member Clubs and has supported countless others remotely.

Additionally, the IGA and IGAF provide annual sponsorships to support the Iowa Turfgrass Institute and the Iowa Turfgrass Conference each January. The annual Iowa Turfgrass Conference offers over 35 unique educational sessions along with a vibrant Trade Show featuring over 70 different exhibitors.

The IGAF will continue to support educational programs that demonstrate best environmental practices that positively address the game’s agronomic issues. These programs provide educational benefits to the general public, clubs and all golfers around the state.
